HOW WE STARTED

The foundation of ALLIANT was laid with the establishment of ALLIANT IIT-JEE in Jan 2017. ALLIANT IIT-JEE was the culmination of a desire to start an entrepreneurial venture in Pre-engineering examinations coaching in Hazaribagh.

From Director's Desk

It gives me immense pleasure to introduce **ALLIANT ACADEMY** as premier **IIT-JEE / MEDICAL** coaching institute. Within very short span of time our teaching methodology and counselling has earned the recognition among the students. The emotional bondage between teachers and students, sense of dedication determination and quality of excellence makes our institution "Quality Learning Centre".

An education isn't about how much you committed to memory or even how much you know. It's about being able to differentiate between what you know and what you don't. and our team of young and dynamic faculties will guide you in achieving what you really deserve...

"Imagination is more important than knowledge" Knowledge is limited where as imagination embraces the entire world, stimulating progress, giving birth to evaluation.
